Accelerating PM's Cashless Pakistan Vision - 1LINK and Paysys to offer 1GO Raast Person to Merchant Acceptance

Karachi [12 September'25] - In line with Prime Minister Shehbaz Sharif's vision of propelling Pakistan towards a cashless economy 1LINK (Pakistan's first designated Payment Systems Operator) and Paysys Labs (a leader in digital payment technologies) have partnered to offer 1GO Raast digital merchant acceptance services to banks nationwide. The signing ceremony took place at 1LINK's head office on September 12, 2025.

1GO Raast digital merchant acceptance solution adheres to SBP's Raast Person-to-Merchant (P2M) framework by offering QR, Alias/IBAN and Request-to-Pay (RTP) instant confirmations which requires regulated entities to provide digital acceptance solutions to merchants for both in-store and online payment facilities.

This alliance positions 1LINK to offer merchant acceptance solutions as a one-stop seamless acceptance offering to banks on Raast P2M.

Mr. Karim Jindani of Paysys Labs said *"This partnership gives banks a fast lane to Raast P2M without heavy lifting. With 1GO's interoperable rails and our onboarding stack, banks can achieve their bank-wise merchant targets quickly while keeping integration effort and reconciliation friction low."*

Mr. Najeeb Agrawalla CEO 1LINK said *"Having pioneered Pakistan's bill aggregation ecosystem and currently servicing more than 4,000+ billers, 1LINK is strategically positioned to drive the next wave of merchant acceptance solution for banks via 1GO Raast P2M and encouraging our shared goal of financial inclusion and digital transformation"*
