Assistant Manager / Associate - Controlling

JOB ROLE & REQUIREMENTS:

- Ensure compliance with TLINK and SBP mandates, technical specifications, operating guidelines, policies, and procedures across internal and external stakeholders for TLINK products and services.
- Evaluate business processes to identify control gaps, operational risks, non-compliance issues, and opportunities for process improvement.
- Conduct periodic reviews and assessments of internal controls across departments and member institutions to strengthen governance and compliance.
- Identify manual, repetitive, and high-risk processes for automation, and collaborate with business and technology teams to design and implement automated control solutions.
- Develop and maintain automated dashboards and Key Control Indicators (KCIs) for continuous monitoring, performance tracking, and risk management.
- Evaluate automation initiatives and technology solutions to ensure effective control design, data integrity, security, operational efficiency, and risk mitigation.

At TLINK we believe in equal opportunity & inclusivity for all. We encourage our employees to live a healthy life & work to the best of their potential.

FOR EMPLOYEES TO GIVE THEIR BEST, WE OFFER:

- Flexible working options, including flexible hours
- Continuous training and development
- Quarterly bonuses
- Subsidized lunch
- Club facility
- In-person and online doctor consultations
- Education assistance
- Performance bonuses
- Carpooling incentive
- On-site gym
