

Federal Minister for Information Technology and Telecommunication, Dr. Khalid Maqbool Siddiqui visits 1LINK

Karachi: On November 26th, 2018, Federal Minister Dr. Khalid Maqbool Siddiqui visited 1LINK (Pvt) Limited where he was briefed about 1LINK operations, new initiatives/projects and its strategic role in the payments system framework. PayPak (Pakistan's domestic payment scheme), 1ID (biometric interoperability scheme) and cyber threat were some of the areas which remained at the focus of discussions. While addressing the Management of 1LINK, Dr. Khalid Maqbool Siddiqui encouraged 1LINK to play an active role in facilitating the Ministry in materializing its vision. He also requested 1LINK to present recommendations aimed at promoting convenient, safe and secure digital payments solutions for all Pakistanis.
