

TCS goes LIVE with 1LINK's Bill Payment System

KARACHI: In a recent development in digital payments landscape, TCS is now live with 1LINK's Over the Counter (OTC) Bill Payment System (BPS) at their TCS Express Centers. The launch ceremony took place at TCS Head Office in Karachi on 26th September, 2019

The agreement for the project was signed at 1LINK office in January, 2019. With this partnership, TCS will be assuming the role of bill initiator whereas 1LINK will be leveraging its Bill Payment Service. With the arrangement already live, now customers have an increased access points of paying their bills.

Bill payments, for multiple 1LINK billers, can now be done at over the counter, by walk-in customers at any of the TCS Express Centers. This includes all utilities mobile top-ups, education, transport and host of other billers.

Speaking on the occasion, Mr. Salman Akram, CEO, TCS, said “We are pleased to collaborate with 1LINK in offering a customized, state-of-the-art bill payment option to our consumers. Our focus remains on the modern-day needs of our people as we continue to expand our resources to devise pragmatic, reliable and timely solutions that are on par with global trends.”

Mr. Najeeb Agrawalla, CEO, 1LINK said “1LINK is proud to partner with TCS in introducing an innovative method of paying bills which is customer centric and will bring significant convenience to the consumers. It is encouraging to see well dispersed franchises like TCS playing an active role in digital payments sphere and offer value added services, whilst utilizing their existing infrastructure.”
