

BYKEA partners with 1LINK for Seamless and Instant Payments

BYKEA, the leading on-demand transport, logistics and payments platform, announced today that it has entered into a partnership with 1LINK to enable seamless instant payments to the customers.

BYKEA disburses millions of rupees to its customers daily and the company wants to improve the efficiency by making the process seamless in payment transfers. A partnership with 1LINK, the largest payment and switch system guarantees streamlined operations due to its robust infrastructure and associations.

Muneeb Maayr, CEO Bykea, said in a statement, “We are looking to connect every small business in the cities we operate in to get COD receivables faster. 1Link will help us connect the banked and the wallet holders to our network and we believe we are on the cusp of revolutionizing payments in 2021”.

Najeeb Agrawalla, CEO, 1LINK stated, “1LINK welcomes BYKEA to its network and hopes to move forward jointly in facilitating customers. We need to stay competitive and offer the best solutions to end customers. 1LINK is a forward-looking organization and through our collaboration with BYKEA, we are confident that customers will be able to reap maximum benefits and appreciate the expediency that will be enabled in the payments landscape.”

Umar Mughal, CDO - JS Bank commented, “JS Bank is committed to providing solutions to social and economic problems through Fintech Innovation. Our partnership with BYKEA & 1LINK signifies our commitment towards the promotion of innovative e-banking services. Our goal is to offer consumers an unparalleled digital experience and financial solutions in line with their needs.”

Timely payments are crucial for people and businesses, Bykea is committed to fulfilling its obligations to customers through a system known for speed and flawless operations.
