PayPak Certification Office has received your request for Application card type approval for the above referenced card product. We have reviewed all reports submitted as evidence of compliance to EMV PURE Specification, and EMVCo security requirements. We found reasonable evidences that the product is identical and complies with the Specification References.

PayPak Certification Office hereby confirms that the above card product follows the requirement as defined in the PURE Specification and Approval Test referenced above.

This certification is deemed to be invalid if the implementation is not compliant to EMVCo CCD requirements. PayPak will not be liable for any damages or losses that may cause directly or indirectly via the use of this product.

Details of this certified card product will be listed at PayPak website (www.1link.net.pk) until the expiration date.

card product. We
EMVCo

Thank You.
