Title: GTP Officer / Officer – Network Operations

Job Role & Requirements:

- Responsible for the entire infrastructure residing at 1LINK Datacenter.
- Monitoring connectivity of all member banks, utility companies and systems in case of any problem.
- Facilitate the third-party service provider if any problem comes in 1LINK network operations.
- Provide network level configuration, troubleshooting services to the telcos, member banks, vendors, and utility companies with consultation of management.
- Assist the unit head in network operations, IT-infrastructure and Datacenter Operations.
- Responsible for network monitoring & configuration backup.
- Upgrade and maintain networking hardware deployed at every location.
- Ensure smooth operations and availability of critical services related to Datacenter.
- Willing to work in 24/7 rotational shifts.
- Maintain network documentation.
- Network related certifications would be a plus.

At 1LINK we believe in equal opportunity & inclusivity for all. We encourage our employees to live a healthy life & work to the best of their potential. For employees to give their best, we offer:

- *Modular working options such as flexi-hours*
- *Continuous training and development*
- *Quarterly bonuses*
- *Heavily subsidized lunch and club facilities*
- *Employee educational support*
- *Performance bonuses*
- *Carpool incentive*
- *On premises gym facility*
- *In-person/online doctor consultation facility*

Female candidates are encouraged to apply.
